Principal's News

Last week our Yr. 2/3 classes travelled to Melbourne to see the Wizard of Oz at the Regent Theatre. The overwhelming feedback was very positive. It was a very long day but well worth the effort. Thanks to Chris for her organisation and to Carly and Lauren for their care for the kids on the day. Thanks also to all the parents who helped out on the day – it made the trip possible. A big shout out to Wooragee Primary School who actually hosted the event and were happy to have us join in.

This evening at 6:30 (Monday 30th) six children from Yackandandah Primary School will appear at the Lions Club public speaking event in the Senior Citizens Hall, Yackandandah. All children in Yrs. 3-6 took part in the preparation for the event as part of their English program in class. I was very impressed with the dedication and work ethic of all students who worked hard on preparing and delivering their speeches. Good luck to those speaking this evening!

Many families will have received links to a feedback survey regarding the school. I encourage you to take the time to complete the survey. If you have any questions please ask Sandra or Michael.

This Wednesday our students are invited to view the Beechworth Secondary College annual school production 'Petrichor' at Yackandandah Hall. The production will be showing to the public on Wednesday, Thursday and Friday this week at 7:30pm at the Yackandandah Hall. Tickets are on sale from the BSC office: 03 57281264.

DET Data Collection Form

Each family last week received a DET Data collection form. It would be appreciated if all families could please complete it and return to school asap.

School Athletics Carnival

Our School's Athletics Carnival is coming up soon. It is being held on Wednesday, the 5th of September at Alexandra Park, Albury. All Foundation to Year 6 students will be competing in their age (what they turn this year) groups on the day. A teacher will be supervising each group, however, it is also handy to have a parent assisting. We've split the day up into two blocks, 9:45-12noon and 12noon-2:15pm. If you can assist a group on the day, could you please either email [Stace oliver.stacey.s1@edumail.vic.gov.au](mailto:Stace.oliver.stacey.s1@edumail.vic.gov.au) or return the attached form to school. Cost per students is \$8 regardless of whether they are travelling on the bus or not. Permission forms have been sent home tonight and need to be returned to school by Friday 17th August.

Lions Club Public Speaking Competition

Congratulations to Ivy Edwards, Audrey Bell, Molly Wilson, Sydney Willis, Tara Nolan and Nina Edwards who have been shortlisted to represent YPS at the annual Lion's Club Public Speaking Competition tonight.

The competition for these six places was fierce and highlighted the high standard that our students achieve in this area. Public speaking is not something that comes easy for many people and all students are commended for the courage that they demonstrated by speaking in front of their peers.

All members of the Yackandandah community are invited to attend this event which will be held at the Senior Citizens Hall from 6.30pm. We wish our school finalists all the best.

Yackandandah Foodworks Community Points

Thank you to everyone who gives their community points to the Primary School. We received \$392.20 from Foodworks at the end of June,

French Phrase

Bonjour et bienvenue à tous!

This weeks' French words are inspired by the season of winter and if you're lucky to have tried or enjoy skiing..? There are a few different types.

1. 'Ski de piste' - downhill skiing (piste = run)
2. 'Ski de fond' - Cross country skiing.

La neige (the snow) is cold but magnificent...especially when the sun shines and each crystal seems to reflect its own sun beam, thus creating a jeweled landscape.

Happy winter,

Emma-Joy

Wizard of Oz

On Tuesday the 24th July the Grade 2/3 students accompanied Wooragee Primary School to Melbourne to see the Wizard of Oz at the beautiful Regent Theatre.

It was a huge day beginning at 6.30am as we eagerly assembled at the school to board the bus for the big trip. As some of you may have heard there was a terrible truck accident on the Hume Highway where a truck rolled and blocked both lanes! A devastating accident for all involved and if it wasn't for our knowledgeable and quick thinking bus driver, we would not have made it to Melbourne in time for the show, due to being stuck until the accident cleared. Our driver did a U turn and took us through the township of Glenrowan, bypassing the accident and got us back on the highway - hooray!

Once we arrived in Melbourne we enjoyed lunch in The Treasury Gardens before walking to the theatre on Collins Street. The show was sensational, a true spectacle before our eyes! Some highlights from the students of the day were: the special effects, the life like tornado, the costumes, the dancing, Toto, the very cute and REAL dog! Other highlights included playing games and watching dvd's on the bus and getting take away for dinner!

A huge thanks to all of the wonderful parent helpers who came along on the day and braved a very early start to help us supervise our 2/3 students. A special mention to Chis Varker, who made this trip happen. We are all very grateful for this experience and I am sure the memories will live on for many years to come. We intend to make this type of day trip an annual event from now on!

Community News

BEECHWORTH secondary college proudly presents...

Set in a futuristic world, where technology has become the controller of humanity and where resources have been seriously depleted. In this bleak world everything is known and everyone is connected but there are some who don't "fit". These misfits seem to have a connection to an ancient wisdom, to Gaia, and to a place known as... Petrichor.

But what is their duty? Who are they responsible to?

The contrasts of these worlds take us on a ride from technological bleakness to ridiculous spoof; to the truth and absolute beauty of Petrichor.

Sport North East

We are conducting surveys as part of our VicHealth Regional Sport Program. Our aim is for the surveys to provide a better understanding of how people in north east Victoria feel about sport and recreation, so that we may then be able to develop programs and work with community clubs to increase the availability of participation opportunities.

We have three surveys aimed at different groups of people:

Parents of school-aged children (5-17 years) in north east Victoria: <https://www.surveymonkey.com/r/TD8V2CJ>

Youth aged 12-17 years in north east Victoria: <https://www.surveymonkey.com/r/TDVHCD8>

Sport and P.E. teachers in north east Victoria: <https://www.surveymonkey.com/r/TD7SDVX>

Please feel welcome to share our other two surveys:

Women and girls in north east Victoria: <https://www.surveymonkey.com/r/T7MDCPB>

Lost

Will Rooney has lost his Avengers S.T.A.T.I.O.N. Medallion'.

It is *similar* to the one pictured and Will purchased it with his own hard earned money (\$30). This could have been lost in the school yard and

possibly is still there or someone may have picked it up and taken home. Hoping if found at school or parents happen to find that this has been found and taken home, that it could be returned to the school office. Thank you.
