Principal's News

Congratulations to Jenny and the Senior Choir on their part in the Border Choral Concert masterclass with Jonathan Welch. The choir had a masterclass session at the SS&A club on Saturday afternoon with Jonathan, followed by a performance in the evening at the SS&A auditorium. The Senior Choir performed in front of the audience, along with the Murray Conservatorium Choir and other local choirs. Jenny and the children performed magnificently and to generous applause. I would like to thank the parents that helped get children to the practice and performance and supported the choir throughout the afternoon. The children were terrific – especially as they were the only children working with a large number of adult musicians. Well done kids and thanks Jenny for making this terrific opportunity happen.

The Yr. 5/6 ski trip took place last Friday. It was cold conditions but excellent for skiing. The students had a great time and conducted themselves very well. Thanks Earle, Victoria and Caz for a big day and thanks also to the parents who supported the kids for the day (hopefully you got some skiing in too). Our next Down Hill ski day is this Friday.

Principal's News cont...

Well done to Sydney Willis and Ivy Edwards for their participation in the Lions Club public speaking regional event in Wangaratta. Both performed to a high standard and both finished in the top 3 in their age groups. Great work!

SUPA TRAMP

Fundraiser

School Council is organising a fundraising afternoon at Supatramp in Wodonga on Friday September 14 between 4 and 6pm.

The cost is \$25 per participant, of which \$10 goes to the school.

Supervision will be by Supatramp staff but each child will need to have a nominated adult at the centre, that is, if parents are not staying at Supatramp they'll just need to organise another parent to be responsible for their child.

\$25 per child should be paid to the school by September 7. We hope to see you there!

Music News

Senior Choir

Saturday was a hugely exciting day for 20 of our Senior Choir who participated in a masterclass and concert with Jonathon Welch in the inaugural 'Border Choral Voice' at the SS&A Club in Albury to help raise funds for the Wewak School's Musicability program. Our kids were **AMAZING** and sang two songs in the concert with a little added spice from Jonathon who taught us some fun ways to control our tuning and enhance our dynamics in the earlier masterclass. Jonathon was a lot of fun and loved the songs we presented, one of which he told us he is currently teaching 'The Choir of Hard Knocks'. The other four choirs were adult choirs from Albury and surrounds and we enjoyed watching their performances.

Thanks firstly must go to the 20 talented singers from our Senior Choir who sang so professionally and with such poise, confidence and presence. You absolutely rocked the stage! A huge thanks too, to the parents who took time out of their weekends and busy schedules to ferry the kids to Albury, and attend the concert. It was very much appreciated. A very special thanks too, to Mr. Edwards for giving up much of his Saturday and staying with us during the masterclass, dinner and concert.

AMEB Exams

On a different note, congratulations must go to three piano students who sat AMEB exams last week. Eila Thornton received an A+ for First Grade, and Alexandra Mason and Zoe Stamp both received an A for Second Grade. All three worked very, very hard to achieve these great results. Well done to you all!

School News

School Garden update:

It may be winter, but we are still working hard in the school garden! Over the next few weeks we will be constructing the new garden beds for the pollinator garden and creating some new veggie beds ready for spring/summer plantings. It is muddy in the garden at the moment, so if garden club kids can bring some gumboots on Fridays that would be great. We will also be doing some painting over the next few weeks, so bring an old shirt too to protect school uniforms!

Our special thanks to:

The extended Graham family for giving up their time to prune the fruit trees.

Kerrily Jeffery for picking up the paints.

Dave McAuliffe for saving our backs by bringing his digger in to level out the garden .

It takes a village to raise a child

Congratulations to Alexander Matthews from Yackandandah who in late May graduated from the Harvard University in Boston USA, with a Master in Public Policy.

Alex grew up in Yackandandah attending Yackandandah Primary School, completing VCE at Beechworth Secondary College, working at Tallangatta Secondary College during a gap year whilst completing a traineeship at Wodonga TAFE, and then moved to Melbourne to complete a Commerce degree at the University of Melbourne. He worked for several years before gaining a fellowship through his workplace to work and study overseas.

TO HELP YOU LIVE A HAPPY, HEALTHY LIFE!

INDIGO COMMUNITY CONNECTORS

We all need access to services, supports and activities at some stage in our life...

COMMUNITY CONNECTORS are volunteers across Indigo Shire trained to assist local people to find out about what services and activities are available in their own communities and wider.

The more people there are that know about the support that is available, the better we can all support each other.

Telephone Chat Program

INDIGO CALLING matches local people with volunteers from their community for a regular, friendly phone chat at an agreed time.

The aim of **INDIGO CALLING** is to provide friendship and companionship – a phone chat can help break down isolation so local people can remain connected and included in their own community.

COMMUNITY CONNECTORS and **INDIGO CALLING** are free programs for the people of Indigo Shire and may be useful for those who:

- Are new members of the community
- Do not use the internet
