Principal's News

Today I am opening up nominations for the four School Council parent reps and the two staff representative positions that are opening up on School Council. School Council is a two year term and those who are vacating their positions after the two years are welcome to renominate for another term. Nomination forms are available from the office.

Nominations will close next Monday 25th February. If there are more than four parent nominations received I will conduct an election process. If four nominations are received those four will be automatically elected. If there are fewer than four nominations I may extend the nomination period.

Newly elected School Council members will have their first meeting on Monday March 25th at the AGM.

Tomorrow is the District Swimming Sports. Brendan will travel with our representatives to Chiltern in the morning. Good luck to all the competitors! If you haven't returned the permission form or sent in payment please do so in the morning.

I would like to thank the Friday hot lunch team for their efforts. We are grateful that Claire, Michelle and Alicia are carrying on the great work that Rikki did last year and are coordinating the Friday hot lunches. Thanks also to the parents who are volunteering on Fridays to prepare the meals. Not only are you providing a delicious meal for the school, you are also demonstrating to our students how a strong community works together.

Principal's News cont...

Our SEL (Social, Emotional Learning) focus this week is on our school value of 'We are Fair'. One of the key messages that we aim to teach is that treating everyone fairly does not always mean everyone gets exactly the same. It means that we try to give or help people with what they need. A good example is learning in the classroom. Not everyone does exactly the same thing all the time because people have different learning needs. The same principle applies in many different situations and can be difficult for children to understand.

The Folk Festival is approaching. There will be an initial meeting for organisers and volunteers on Monday 25th February at 5pm. If you are interested in seeing what goes into running the school's part in the folk festival I encourage you to attend the meeting. There will be a volunteer help sheet distributed next week for parents and friends to identify where they could help out over the festival weekend.

School News

Student Banking

Student banking is available through the Hume Bank. The program offers children a great savings account where they can earn interest in a fee free account. Students will be provided with a deposit book and passbook to use on School Banking Days. The school banking day is every Thursday. Bank books need to be at the school office first thing in the morning. If you would like more information please call into the Hume Bank in Yack or the school office.

OSHC

Parents are reminded that they must sign their children in and out of OSHC on the Ipad. This is a legal requirement. When the staff sign the children out of BSC and into ASC parents then have to confirm the times the next time they sign in or out.

Avenue Shared Working Space is a co-working office on High St, Yackandandah. It is a workplace for professionals who need a place to focus on getting their work done, and we also host events that help us to improve business skills and overall mind & body health.
