### **Principal's News**

I hope everyone enjoyed the long weekend. There are only three more weeks left for Term Two. We will be encouraging students to keep up the strong effort with learning right up to the final day of term. Student Reports will be distributed some time during the final week of term. It is important to remember that student reports are a brief summary of learning for the first half of the year. There will be some aspects of learning that have yet been taught this year and therefore will not be reflected in the reports.

When reflecting on learning progress I encourage students, families and teachers to consider the importance of attitudes and work habits. These are the things that maximise learning over time – not scores against an arbitrary benchmark. All schools are required to evaluate against benchmarks. In our reports this will be indicated by a letter from 'a' to 'e'. A 'c' indicates that a child is achieving in the 'expected' range. To receive an 'a' a child must be achieving significantly above 'expected' levels. These reporting conventions are set out by the State Government. I encourage families to reflect on attitudes and habits rather than benchmarks. If students are doing their best, showing a strong work ethic and building some good learning habits, the benchmark is not particularly relevant.

## Principal's News cont..

Just a quick reminder to write your child's name on all jumpers, hats and any other items of removable clothing. This will help us reunite lost jumpers etc. with their owners. Similarly, please write your child's name on reusable plastic containers and lids so that we can prevent lost items.

## School News

### Year 5/6 Skiing Program

Thank you to all the families for letting us know which days their child will be skiing. Once again Osbornes Flat Primary School will be joining us.

Our skiing days are:

Friday 9<sup>th</sup> August – Cross Country Skiing

Friday 16<sup>th</sup> August – Down Hill Skiing

Friday 23<sup>rd</sup> August – Down Hill Skiing

The back up days are Friday 30<sup>th</sup> August & Friday 6<sup>th</sup> September.

The cost is as follows

\*Downhill skiing - \$103 per day

\*Cross Country Skiing - \$65.50

Permission forms have been sent home tonight with the students who are participating. Please return the forms to school by Thursday 20<sup>th</sup> June. Payment is due before each skiing day.

### Albury Wodonga Eisteddfod

Both the Senior and Junior choir are performing at the Albury Wodonga Eisteddfod on Thursday 27<sup>th</sup> June.

Audience tickets for both the sessions will be available to purchase online on their website and Facebook page shortly. Any unsold tickets will be available at the door but it is recommended that you purchase tickets in advance to avoid disappointment. The choir sections are very popular and can sell out.

As soon as we receive notification that the tickets are available to purchase we will send an email out with the links.

Permission forms were sent home last week and need to be returned by Friday.

### Parent/Guardian Occupation Codes

A component of our school's funding that we receive from the government is based on parent occupations.

To ensure that our information is up to date each family has today received a form stating what their occupation and occupation code is on our system.

Please confirm that this information is correct or please enter your new occupation and the relevant code.

Please do not automatically select the higher code, if you are unsure please call into the office as we have the more detailed list that we can look at.

## OSHC News

### Vacation Care

Vacation Care will be operating from Monday, 1<sup>st</sup> July to Friday, 12<sup>th</sup> July.

Our excursions these holidays are Laser Tag/mini golf, Flyaway gymnastics and a visit to Yack Heath to enjoy some old fashioned games and craft with the residents there.

Book early for these excursions so as you don't miss out!!

The program has been sent home tonight and bookings can be made through the office.

### Enrolling your children in OSHC

When enrolling your children for the first time in OSHC or Vacation Care please ensure you provide both your own Customer Reference Number (CRN) and date of birth and your child's. These details are used to link the enrolment to the parent's Child Care Subsidy (CCS) claim. If these details are missing you will not be able to receive the CCS and will have to pay the full amount.

You also need to log onto MyGov and submit a claim and confirm the enrolment.

Enrolments cease if 8 continuous weeks have passed since the child last attended. If you are only using the service during Vacation Care, once you have advised us that you are booking your child in you will need to confirm the details again.

Any questions please speak to Sandra or Kate.

Don't forget to keep reminding your friends and families who shop at Woolworths to collect their stickers for Yackandandah Primary School. We have a box at both supermarkets in Wodonga where they can leave their stickers.

We have so far managed to fill 80 sheets which is amazing and will enable us to receive equipment for the school.

## HEALTH & WELLBEING

Achievement  
Program

### SAFE ENVIRONMENTS and PHYSICAL ACTIVITY AND MOVEMENT

The Health and Wellbeing Team are working towards the two health priority areas of Physical Activity & Movement and Safe Environments. The team has reviewed the benchmarks and a plan of action has been developed for Physical Activity and is still reviewing safe environments. Actions to date include ensuring there are policies in place, identifying opportunities to include a wide range of activities to get the whole school and community more active, improving health literacy and knowledge about the importance and benefits of being active for everyone.

#### PHYSICAL ACTIVITY GUIDELINES

Do you know how active you should be each day?

For children 5-17 years it is recommended balance of high levels of physical activity, low levels of sedentary behaviour, and sufficient sleep each day. A

healthy 24 hours includes:

- Accumulating 60 minutes or more of moderate to vigorous physical activity per day involving mainly aerobic activities;
- Several hours of a variety of light physical activities;
- Limiting sedentary recreational screen time to no more than 2 hours per day;
- Breaking up long periods of sitting as often as possible;
- An uninterrupted 9 to 11 hours of sleep per night for those aged 5-13 years and 8 to 10 hours per night for those aged 14-17 years; and
- Consistent bed and wake-up times.
- Activities that are vigorous, as well as those that strengthen muscle and bone should be incorporated at least 3 days per week.
