Principal's News

Last Friday students from Years 3-6 took part in the Winter Sports Carnival. Our school had teams in the netball, soccer, volleyball, football and t-ball events.

It was fantastic to see all students giving their best, playing fairly and with great sportsmanship. All students experienced success and got a taste of the winning feeling at different times. The netball team played exceptionally well and won their division.

Thanks Brendan for handling the difficult job of organising seven teams across five venues. Thanks to the other staff and parents who managed teams throughout the day. Most of all, thanks kids for living up to our school values once again

Congratulations to Edward Boddenberg who has earned the Joey Scout Promise Challenge. This is a rarely achieved honour and one that requires a sustained effort over a considerable amount of time and requires ongoing self-discipline, teamwork and leadership. A fantastic effort Edward!

School News

Winter Sports Carnival

The weather on Friday certainly put the 'winter' in Winter Sports Carnival. Despite the cold conditions, the kids did a great job representing the school in soccer, netball, football, tee-ball, and for the first time, volleyball.

Special congratulations must go to the B Division netballers who came home with the trophy in a tight one.

Thanks, as always, to the many parents who supported and assisted the kids on the day. Our attention now turns to the whole school athletics which will be held in Albury on Thursday, August 15. This is a fun but busy day which requires many parent helpers to make events run smoothly. Please consider assisting on the day if you are able to.

Thanks, Brendan

Parent Opinion Survey

A percentage of families have been randomly selected to participate in the Parent Opinion Survey. These families will today receive an email with instructions on how to complete the survey.

The survey is conducted online and should take 10-15 minutes to complete and can be completed on any internet enabled device.

The survey will be open from Monday 22nd July to Sunday 11th August. All responses are completely confidential.

International Competitions & Assessments for Schools

Students in Years 2/3/4/5/6 can participate in the International Competitions & Assessments for Schools (ICAS).

The (ICAS) are independent skills-based assessments with a competition element. More information is available at www.eaa.unsw.edu.au/icas/about

The tests and costs are as follows:

- Science – 5th September - \$15.95
- Writing – 10th September - \$15.95
- Spelling – 12th September - \$15.95
- English – 17th September - \$15.95
- Maths – 11th September - \$15.95

The school is not participating in the Digital Technologies assessment.

If you would like your child to participate please return the attached form and visit unsw.global/parentpay and enter the school's unique code 2b651ec66f to make payment by Friday 9th August. **Payment is not to be sent to the school.**

Please note this is neither endorsed nor recommended by the school and should only be considered for personal interest reasons.

LOVE YACK IS BACK!

You're invited to give feedback on the draft Yackandandah Place Plan. We need your input to make sure we're on the right track. We're putting you in the editor seat as passionate locals to identify what's working, what needs to be improved and if there are any great ideas missing from the document.

We'd love you to visit us at a pop-up or attend the community workshop! If you can't make it to these sessions we'll have the Place Plan survey available online with paper copies also available at Council's Yackandandah Customer Service Centre.

In May you told us what makes Yackandandah unique and how it could be improved in the future! It was inspiring to hear great ideas from more than 250 of you! In recent weeks, we have shared a summary of the engagement data we collected and have also continued our place planning research. Moving forward, this round of engagement will be critical in finalising the document prior to public exhibition. We want to get this plan right for you and for future generations that will call Yackandandah home.
