Principal's News

It was wonderful to have an almost normal start to the term last week where we could settle into our learning routine. While we are able to attend school in person, we still need to abide by a few 'new normal' routines. These are summarised here:

1. If your child is sick, he/she must stay home.
2. If you or your child have COVID-19 symptoms, see a doctor or get tested.
3. Practice social distancing. This includes at drop off and pick up times.
4. Sanitize and wash hands regularly.
5. Children are expected to bring a drink bottle and avoid the bubblers where possible.
6. Adults only come into the school if necessary.

Principal's News cont...

The usual Term Three interschool activities have been postponed until further notice. This includes the Arts Festival and any interschool sports. Our Yackandandah Primary School inter-house sports usually takes place at the Alexandra Park athletics centre in Albury. With border closures this is unlikely to be the case this year. We are considering what other options we have for our sports day.

Looking further ahead into Term Four we will need to wait and see regarding other usual activities such as swimming and the Yr. 5/6 camp. Assemblies will continue to take place in class or age groups within the school.

While it is frustrating that we are still having to consider these measures after so long, it is necessary. Thank you all for your support and understanding.

School News

Parent/Guardian Occupation Codes

A component of our school's funding that we receive from the government is based on parent occupations. To ensure that our information is up to date each family has today received a form stating what their occupation and occupation code is on our system.

Please confirm that this information is correct or please enter your new occupation and the relevant code.

Please do not automatically select the higher code, if you are unsure please call into the office as we have the more detailed list that we can look at.

Please ignore the part that says current as at 15 June 2017 – information is current as at today.

Forms need to be returned to school by Friday.

Family Statements

Statements for both Kinder and school fees will be sent home at the end of this week.

IT'S TIME TO ENROL AT SCHOOL!

If you have a child starting at school next year Enrolment packs can be collected from the school office.

If you have any questions or would like any further information please contact Michael Edwards on 02 6027 1431.
